

# HEMESHWAR POSA

Anantapur, Andhra Pradesh | 6304654429 | [hemeshwar0721@gmail.com](mailto:hemeshwar0721@gmail.com)

---

## CAREER OBJECTIVE

Enthusiastic postgraduate with a Master's in Computer Applications from Jawaharlal Nehru Technological University. Skilled in Java and Python, with experience developing innovative solutions through academic projects. Strong team player with excellent communication skills, seeking an entry-level tech role to apply and enhance my computer science expertise.

---

## EDUCATION

### Master of Computer Applications

Jawaharlal Nehru Technological University, Anantapur | 2022 – 2024

Completed with **8.54 CGPA**, focusing on advanced computer science concepts and software development.

### Bachelor of Science in Computer Science

Sri Sai Baba National Degree College | 2019 – 2022

Graduated with Distinction, achieving **9.07 CGPA**, demonstrating consistent academic excellence and a strong foundation in computer science principles.

---

## SKILLS AND STRENGTHS

- Programming Languages: Java, Python, C
  - Web Development: HTML, CSS, SQL
  - Frameworks: Flask
  - Software Development: Object-Oriented Programming
  - Database Management: MySQL, Oracle
  - Other Technologies: JDBC
- 

## PROJECTS

### Wellfinity

Developed a web application to store and manage patients' health records using HTML, CSS, JavaScript, and Flask. The application allows patients to access their previous prescriptions digitally, eliminating the need for physical copies.

### Machine Learning for Mental Health Illness

Developed a machine learning project focused on mental health using KNN, Decision Trees, and Random Forest algorithms. The model aimed to predict mental health outcomes based on various input features.
